DIZAINA STUDIJA

AN INTERDISCIPLINARY DESIGN MAGAZINE WITH THE MOTTO
space–form–time

An attractive, professional, illustrated publication in both printed and electronic formats (www.dizainastudija.eu) in Latvian and English.

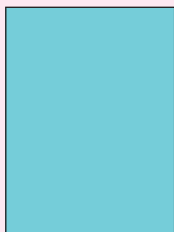

The target audience is anyone interested in analytical discussion, relevant information and practical experience related to design in Latvia and the world, and anyone who values professional design in various fields as a measure of the quality of a living space.

The magazine offers a special insert, DESIGN SCHOOL.

The high quality of the content, artistic execution and printing will ensure effective advertising potential. Not only readers in Latvia, but also readers outside the borders of our country will learn about your business, because the magazine is distributed as informative material for the international representation of Latvian design and manufacturing. Its electronic version is available to all in Latvian and English.

DIZAINA STUDIJA is published in print six times per year, with a circulation in the year 2010 of 2000. The magazine is available in the largest *Narvesen* stores, newspaper kiosks, book stores, art galleries and design salons. It also offers the opportunity to subscribe or buy copies on its website www.dizainastudija.eu, and on the website of the publishers, www.neputns.lv.

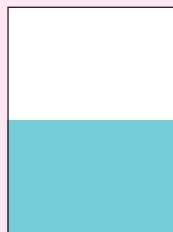

Information on DIZAINA STUDIJA's website is updated weekly.
